

**Alexandria Country Day School
Head of School Search Update
August 29, 2017**

The ACDS Head of School Search Committee has selected nine semi-finalists from a pool of 14 strong candidates. Although the semi-finalists must remain confidential, they are men and women who share ACDS' passion for growing bright futures. They are each highly qualified to be our next Head of School.

Over the next month, the search committee will interview the semi-finalists and select three finalists, who will be announced to the community in late September. Each member of the school community will have an opportunity to meet the finalists and provide feedback to the search committee. We anticipate that finalists will be on campus October 8 through 10; October 15 through 17; and October 22 through 24. As these dates approach, the search committee will provide more details to the school community.

After finalist visits are complete, the search committee will select and recommend the next Head of School to the Board of Trustees for approval. The search committee anticipates naming the next Head of School by the end of November. Please direct any questions to the Search Committee Chair, Natalie Monroe.
