

Are you tired of packing lunches for your children during the morning rush? Are your kids starting to talk more about food they see on the Piccadilly line?

Did I hear you say yes? We encourage you to take a second look at Piccadilly. We are working hand-in-hand with regional and state representatives to deliver healthy and savory lunch choices for students.

Starting this month – the following changes are rolling out:

- Baked potato bar in place of sandwiches every Friday
- Breakfast for lunch at least once a month
- Additional entrée choices, such as meat pies, southern fried catfish, but no more codfish! They're freshening up the salad bar as well.
- One week per month designated as "Kid Friendly Menu Week"
- Gathering feedback from our students about their favorite menu items
- Clear information about menu guidelines, (for example, chips go with sandwiches only)
- Color coding and better signage is coming soon to help even our youngest students as they make their choices

Check out the OCTOBER MENU on Plus Portals. You'll be pleasantly surprised and you'll want to forget about packing lunches.

**A BIG CHANGE**: Piccadilly sign-up is now available all year long and will be pro-rated based on the daily rate.

Give Piccadilly a try, and let us know what you think. Give us your feedback and we'll pass it along.
