

Alexandria Country Day School

STEM Summer Camp

(Science, Technology, Engineering and Mathematics)

Middle School Classes

For students entering 5th through 8th grades during the 17/18 school year. Campers will explore the world of STEM by examining physics and mathematics while engineering an aerodynamic rocket. Investigate the mechanics of a Hero Engine through the process of reverse engineering, and calculate the path of a rocket being launched using compressed air!

SIGN UP TODAY!

COST:

\$200 per student

SESSION:

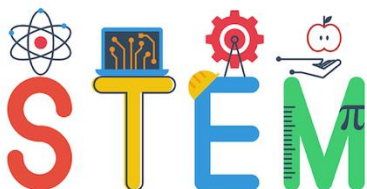

Monday – Thursday
9:00am – 12:00pm

Session 1: June 26 - 29

Session 2: July 10-13

Students will need to bring a refillable water bottle.
Each camper will receive a camp t-shirt and snacks will be provided daily.
