Head of School Search Update
September 12, 2017**

The ACDS Head of School Search Committee interviewed nine semi-finalists over the weekend. Each candidate was highly qualified and enthusiastic about the opportunity to lead ACDS as the next Head of School, which made our job more difficult. After much thoughtful discussion and deliberation, we selected three finalists. We will release the names of the finalists prior to the interviews scheduled for them during October.

During the finalist visits, each member of the school community will have an opportunity to meet and evaluate the candidates. We hope you plan to participate since this feedback will be considered in the committee's final recommendation to the Board of Trustees. This new era for ACDS is an important step in our growth as an independent school.
